

SIERRA CABLES PLC

Environmental Policy

We, at Sierra Cables PLC operation at Korathota, Kaduwela are committed to conduct all its operations with minimum negative impact on the environment and complying with environmental related legal and other requirements. In this regard we shall continually improve our environmental performances by,

- Optimizing the use of raw materials, energy and natural resources.
- Identifying waste streams and implementing measures to minimize generation in order to reduce environmental pollution.
- Encouraging environmental protection among raw material suppliers.
- Communicating this policy effectively to employees, general public and other stakeholders.
- Provide necessary training to create the awareness towards the achievement of the greener responsibilities of employees.

A handwritten signature in blue ink, appearing to be "S. S. S.", is positioned above the title of the Managing Director.
